

**APPLIED TRADES AND TECHNOLOGY BURSARY
SPONSORED BY THE ST. ANN'S ACADEMY
PARENT SUPPORT GROUP**

Application Deadline: May 1.

In order to qualify for this bursary, students must demonstrate intent to become trained in the area of trades and technology. Examples of careers in these areas are: Computer Science, Engineering Design and Drafting, Digital Art and Design, or any trade requiring apprenticing, power engineering, etc...

Students must submit a written application letter outlining their field of study, the location of the training school, and their plans to finance their education. Students should also indicate why they want to pursue this area of study.

Submit application letter to Mr. Green by May 1.
