

St. Ann's Academy

Student Parking Application

Date and Time Received _____

Due to lack of parking stalls, St Ann's Academy requires that all students who desire to park at school must register and apply for the spots allocated for students. Priority will be given to students who have restricted options for travel to school and to our senior students. Please complete the following form and attach a copy of your current driver's license. Completed applications must be submitted to Mr. Green by Sept. 8 to be considered for a parking stall for the 2010-2011 school year.

I understand that student parking is assigned to specific stalls and all other stalls are reserved for staff and guests. The speed limit within the parking lot is 10km per hour. If a vehicle is parked in an area where is not assigned or if it is not displaying a parking pass or the speed limit is not strictly adhered to – the student's parking privileges at the school will be revoked. There is no security provided in our parking lot and St. Ann's Academy assumes no responsibility or liability for any damage that may occur to vehicles in our lot.
